Big Dropout at the beginning of "Hard Body" and at the end of "Not a Common Man."* Otherwise, the quality is wonderful and the sound and picture are in sync.*

A near perfect capture of this fantastic production. The show is captured from start to finish with no blackouts, no obstruction, and no washout. The best video out there! Filmed in 16:9 HD, the only problem is that a head gets in the shot during the first two minutes, but other than that the show is captured beautifully with no obstructions through-out.

3/2017 ~ Broadway

Eva Noblezada, Jon Jon Briones, Alistair Brammer, Katie Rose Clarke, Nicholas Christopher, Devin Ilaw, Rachelle Ann Go. Great HD capture of the Broadway Revival. Terrific performances from the entire cast with many changes from the original production. There is a 7 minute black out near the top of Act 2 which effects the second half of Bui-Doi and the scene between Chris and John.
